Communication skills

Communication is my best skill. I really like to speak with everybody and build new connections and friendships. I am good also at listening to other persons, I think this is a key stone for an effective communication.

I am a former football referee: during this 10 years lasting experience I learned to be effective in each situation, to keep calm and face any difficulty with a clear mind.

Organisational / managerial skills

During my residency I had the doom to organize the schedule for the other residents in my unit for 1 year. I had to build my own organization, optimize my work so that everybody could have been satisfied and happy to do his own job at his best.

Computer skills

Digital planning for joint replacement (TraumaCad, Sectra), Windows User, MacOS User, Office Suite user.

Driving licence

▪ A2, B Italian/European driving licence.
